For anyone who would like to make more impact with their letters and emails.

Professional writing skills for non-native English speakers

1 day

£245** | £355* | £395

If English isn't your first language, business writing can be a big challenge. You may be extremely good at grammar and spelling, but not quite so sure how to word an email or construct an effective letter. This customised course will help you to express yourself clearly and appropriately in written English, including tips on building your skills and confidence.

Staff development programmes with the Centre

The Centre have a 23 year history of supporting and developing staff, managers and leaders within organisations through our interactive, innovative and adaptable organisation wide development programmes.

Whether you have 20 new recruits in need of induction training, 200 managers ready for the next step or Directors requiring a complete shift in culture within your organisation, we can design and deliver an effective, practical and results driven training programme that is tailored to the specific needs of the organisation, and the individual learners.

Discovery

•During this phase we get a solid understanding of your challenges, priorities and culture.

Design

•The Discovery phase informs our design work to ensure we create engaging, challenging and 'real-to-work' case studies.

Delivery

•Starting with a pilot cohort we will deliver the bespoke workshops at your organisation. We can deliver training all over the UK, and internationally!

Impact

•We will revisit the measures agreed during the Discovery discussions and give ongoing updates from learners, their managers and agreed HR metrics.

What will your programme look like?

Well, that all depends on what you need! We're able to build your training programme completely from scratch. Our development programmes include:

- Standard and tailor-made courses
- Action learning sets
- Homework and learning assignments
- ILM accreditation
- CPD hours
- Psychometrics or personality tests
- Organisational improvement projects
- Co-facilitation
- Mediation
- Coaching and mentoring opportunities

We endorse a four phase approach to programme management and we've found this methodology ensures that the organisations we support get a relevant, real-to-work and impactful training programme.

Personal effectiveness: be more confident at work

2 days

£450** | £675* | £775

Ever wish you had more confidence when you're at work? This course will help you find that confidence in a range of situations - speaking up at meetings, giving presentations, attending networking events, asking for a rise or more holidays or just generally feeling more confident within a group. A lack of confidence can be a real barrier to success at work. This course will give you some practical tips and tools that you can take away and start to use straight away.

Mindfulness at work

1 day

£245** | £355* | £395

For anyone new to mindfulness who wants to understand the neuroscience behind the practice. Mindfulness has been shown, by a growing number of studies, to have beneficial effects on health, productivity and team dynamics. The techniques on this course can provide you with personal strategies to reduce stress, regain balance and improve your focus in everyday life. Want to understand this practice more? Then this course is for you.

Assertiveness skills: a practical approach

1 day

£245** | £355* | £395

This course provides the skills and tools you need to become more assertive, and to present your ideas and opinions in ways that enable you to feel heard and respected. You will learn how to communicate in a confident and positive way, with a focus on developing a personal style that will benefit you, your colleagues and your organisation. You do not need any previous knowledge of this subject to attend this course.

Time management for administrators: managing time and workload

1 day

£245** | £355* | £395

This course looks at what time management means and explores the key tools for managing our time. Participants are encouraged to keep a diary for a short period before the course and we will use this to analyse strengths and weaknesses. There are a range of practical tips, tools and techniques to help you prioritise and use your time effectively as well as managing your paperwork and workstation.

Speed reading

1 day

£345** | £445* | £495

Do you often lose your concentration and forget much of what you have read? By attending this course in Speed reading, you will at least double your reading pace, sometimes even more, and retain more, not less, as your brain works better at faster reading speeds. Most people are likely to see an improvement of going from reading approximately 230 words per minute, to reading 500-700 words per minute by the end of the course and retain between 20-30% more.

Self-awareness at work

1 day

£245** | £355* | £395

Being self-aware in the workplace is vital if you want to develop your own skills and those you work alongside. For anybody who wants to understand emotional intelligence and how it can help them in the workplace. Being self-aware in the workplace is vital if you want to develop your own skills and the skills of those you work alongside. Starting with an introduction to emotional intelligence, this course will also examine how you handle conflict and give and receive feedback.

Building personal resilience and beating stress

1 day

£245** | £355* | £395

In these busy times, we all need to stay focussed, in a positive frame of mind, and highly productive to maintain an 'edge' over our competitors. Good health, work life balance, and wellbeing are key to achieving this. Recognise the symptoms of stress and the effects of stress on the body and mind, Identify your personal stressors and what you can do to maintain a healthy and happy lifestyle.

Communication courses

PR strategies that work 1 day

£295 | £395* | £445**

Successful public relations starts with a strategic approach, whether you are promoting an organisation, an initiative, a service, an issue or a product. If you have the responsibility for developing your organisation's PR strategy, this is the course for you! This practical course will help you plan and implement successful PR strategies so you get the most from your budget. This course is for anyone who has responsibility for organisation communication.

Effective feedback and conversations 1 day

£345 | £445* | £495**

There's an increasing need to have effective, and sometimes challenging, conversations with colleagues, members and stakeholders. This course will focus on each group's unique challenges whether that's disagreeing with a senior colleague, motivating a high-performer or explaining a change initiative. The focus of the day will be sharing best practice and toolkits to give the managers the skills and confidence to have these critical conversations.

Communication in the workplace 1 day

£295 | £395* | £445**

Whether it's writing an e-mail that will get read, making a difficult telephone call or getting your point across in a meeting or presentation, good communication skills are even more essential in today's organisation, where time is money that none of us can afford to waste. This course will help you communicate more efficiently and effectively; for anyone whose wants to improve their written and face to face business communication skills.

Radio and television interviews 1 day

£295 | £395* | £445**

How you present yourself in radio and television interviews has a direct impact on audience opinion of your organisation as a whole. This media relations training course will help you develop the skills you need to make sure you say what you need to and leave a memorable and positive impression. The course is suitable for anyone whose work involves talking to journalists, or undertaking TV and radio interviews.

Customer care and telephone skills 1 day

£245 | £355* | £395**

Good customer care depends on staff acting with professionalism and self-confidence. This course will help new staff to practice good customer care and is an enjoyable refresher for more experienced front line staff. The course is suitable for anyone who comes into contact with customers; either on the telephone or in person. It is of equal benefit to people new to customer care, and to those with more experience wishing to improve their skills.

Confident and effective presentations 1 day

£295 | £395* | £445**

Giving a presentation can be a scary prospect, but it is possible to learn how to present well, and enjoy it! This practical and enjoyable course is designed to give you the confidence and skills to deliver effective presentations that will be understood and valued by your audience. You will get plenty of practise and get valuable feedback. This course will help you develop presentation skills and confidence in a safe, learning setting.

Networking and representing your organisation 1 day

£295 | £395* | £445**

How you perform as a representative reflects on your organisation, as well as on you. If the values of your organisation are embodied in the way you present yourself, other people gain a clearer understanding of your corporate attitudes and concerns. This course gives you practical insight into how to achieve this synergy, so that you leave a positive and lasting impression on new work contacts.

Listening skills 1 day

£295 | £395* | £445**

This workshop focuses on a key but often ignored communication skill: focused listening. If you consider the four basic communication skills - listening, speaking, reading and writing, it is interesting to note that listening is the first learned, the most used and the least taught whereas writing is the last learned, least used and the most taught. With that in mind, reflect on your years in education - from primary school through university.

Do you access your Apprenticeship Levy?

If you are an employer with an employee pay-roll of £3m or more, you are already contributing towards an apprenticeship levy. Access yours by enrolling your teams on an apprenticeships at levels 2 to 5, in one of our courses i.e. Management and Customer Services

How does an apprenticeship vary from our traditional training?

Both involve modules, delivered face-to-face by our specialist facilitators, with learners progressing through a series of workshops. However, to access your apprenticeship levy, there are additional steps that are built into the programme, this is to ensure quality and consistency in the way apprenticeships are delivered in the UK.

Equality, diversity & inclusion

Gender equality 1 day

£345** | £445* | £495

Tackling gender inequality remains one of the most persistent challenges facing organisations in the 21st century. Gender equality is vital for a mature, fair and effective workplace yet is often misunderstood and not properly prioritised. If gender equality is to be truly championed within an organisation everyone, from the most senior leaders to entry-level staff, need to understand the challenges, barriers, impact of their own behaviours and attitudes and; most importantly of all, what they can do.

Equality, diversity and inclusion 1 day

£345** | £445* | £495

Equality, diversity and inclusion are everyone's business. But the concepts can seem complex and even divisive. The terminology can be confusing and it can be hard to tell what it is or is not acceptable to do or say. You may want to do the right thing but be frightened of getting it wrong. This course demystifies the Law and it's practical focus provides a common-sense understanding of how equality and diversity apply in everyday working life.

Administration

Receptionist training: becoming an exceptional receptionist 1 day

£245** | £355* | £395

As a receptionist you are the public face and voice of your organisation, so the impression you give is the image that counts. Good communication skills are essential and this course looks at how to develop your professionalism and excel at your role. Effective customer care is now the main thing that decides between successful organisations and those that struggle with their image.

Essential skills for administrators 1 day

£245** | £355* | £395

In any organisation, the administration team has the biggest variety of responsibilities. It has to be constantly flexible and responsive to the needs of management. The administration team is the face of the organisation as they can be the first point of contact for clients. Though the clerical and office skills of the team are often overlooked, the best admin assistants can make themselves stand out by being proactive and efficient.
